ARE YOU SPENDING A LOT OF TIME PREPARING YOUR DOCUMENTS BEFORE EDGARIZING? DO YOU RECEIVE MANY DIFFERENT FILE FORMATS FROM MULTIPLE SOURCES? DO YOU WANT TO FILE DIRECTLY TO SEC WITHOUT GOING TO THEIR WEB SITE?

**THEN YOU NEED
SEC PUBLISHER.**

SEC Publisher is the fastest, most comprehensive EDGAR filing solution for Securities and Exchange Commission EDGAR-compliant document preparation and filing.

SEC Publisher has been used since 2001 by top filing agents like RR Donnelley, top law firms like Wachtell, Lipton, Rosen & Katz, Stradley Ronon Stevens & Young, LLP, top financial companies like Dreyfus, AXA, ING, and numerous public corporations.

SEC Publisher incorporates patented document processing technologies making it unique in its ability to automatically EDGARize the widest spectrum of document types, from Word, Excel, PowerPoint, PDF, RTF, Visio, and other file formats. There is no need for costly and time-consuming document preparation before EDGARizing.

SEC Publisher EDGARizes at a blazing fast 2 pages per second on average creating EDGAR-compliant HTML or ASCII. It can then file directly into the SEC EDGAR System.

SEC Publisher is easy to use, comprehensive, fast, and is backed with the support and training you need. It is a solution to make your EDGAR filings stress-free, on-time, and cost-effective.

WHY SEC PUBLISHER?

One-Stop Solution for Conversion and Filing

SEC Publisher is an integrated solution for converting filing documents, compiling a filing and filing directly to SEC EDGAR. Everything you need is in one package.

Handles Widest Diversity of Document Formats

SEC Publisher automatically converts content from any document format Word®, Excel®, PowerPoint®, PDF, RTF, Visio®, even PDF output from PageMaker®, QuarkXPress®, FrameMaker® or InDesign® into SEC EDGAR compliant HTML and ASCII.

Very Fast Conversion

SEC Publisher is blazingly fast, converting your documents to EDGAR Compliant HTML /ASCII in 2 pages per second on average. Large filings of hundreds of pages can be EDGARized in a matter of minutes.

Handles Complex, Non-standard Tables, Embedded Excel Tables

SEC Publisher can directly process non-standard, tabbed or spaced tables created in Word; even embedded Excel tables. Minimal, if any, retyping is required.

WYSIWYG Editors for HTML & ASCII

SEC Publisher comes with built-in What-You-See-Is-What-You-Get EDGAR compliant HTML & ASCII editors, which are user-friendly and Word-like. No need to deal with HTML code!

Collaboration

SEC Publisher has built-in group collaboration features to enable your filing staff to easily collaborate on processing a filing. They can share, split, merge or insert documents before and after they have been EDGARized.

Filing Directly To SEC EDGAR

SEC Publisher has integrated, easy-to-use, comprehensive capabilities for filing into SEC EDGAR. SEC Publisher's Filing Library can store EDGAR codes and other repetitive information for any number of filers, calculate fees, and track filing status.

Cost Effective

SEC Publisher is the most cost-effective EDGARizing solution, saving time and money in time consuming pre-preparation, and offering simple one-time licensing.

SEC PUBLISHER GIVES US THE FREEDOM TO USE A WIDE VARIETY OF DIFFERENT DOCUMENT FORMATS AND IT EXPORTS SIMPLE, YET HIGHLY EFFECTIVE SEC-COMPLIANT HTML
